

# Color Contrast - Text and Background

Evaluate the contrast of the text colors used in this style guide against the different backgrounds using Tanaguru (or another web-based contrast tool). Annotate: which combinations work, and which don't? What adjustments would you make so that all color combinations are accessible?

## Background Colors

---

**#E8E8E8**  
Primary background

**#BFD0EC**  
Secondary background

**#081633**  
Footer background

## Text Colors

---

Body text **#3A3737**

Header text **#545151**

Link text **#1A6D8E**

Error message **#AA2929**

Footer text **#E8E8E8**

Header text **#AAA7A5**

Link text **#67CEF6**
